WONDERFUL DISCOVERY

"NONE NEED DESPAIR." All must admit there never has been given such a mass of genuine testimony in favor of any other medicine. Give it a trial! It cures when all other remedies have failed. Greater weight of testimony cannot begiven—from the first men in this country.

BALTIMONE, Sept. 18, 1861.

GENTLEMEN: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recom-mended me to use as a relief for the debility and general prostration of my system, the result of taking three bot tles of this wonderful compound has, I am pleased to say resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the infallibility of the Tincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

MORE HOME TESTIMONY.—NONE NEED DESPAIR.
TRY IT AND BE GURED.—WONDERFUL AND PERMANENT GURE OF DYSPEPSIA.

Baltimore, Sept. 13, 1851.

Messrs. Mortimer & Mosbray.—Gentlemen: This is to certify that in the year 1843 I was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me.) and at iength all efforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had discuse of the heart, from frequent distressing pains about the same; as also my chest and abdemen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or wealk with any satisfaction to myself. Life seemed to be a burden to me. My faelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first does when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this invaluable Tincture, to improve daily, until I had taken the contents of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good health, and have done so for the last six years; and would say to all afflicted as I have been, to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meagre description of my cass will be given cheeringly for the benefit of the afflicted. Yours, WILLIAM M.OLDHAM.

SUCH A MASS OF HOME TESTIMONY MUST CARRY

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

Meters. Mostimer & Moubray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Indiamatory Rheumatism, came immediately under my ewn observation, through the stour years, which I considered entirely hopeless. Through my earnest persuasion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully.

JAMES P. MERRITT.
